TECHNICAL DATA SHEET

Hot Feel

Heat under the table for your legs while studying, working or eating

Your comfort zone under the table

PRODUCT DESCRIPTION

Hot Feel is designed for people who spend many hours sitting down working, studying or serving the public. It gives direct heat to your legs with no draughts or noise, creating your own comfort zone with very low consumption.

MAIN FEATURES

- ✔ Direct heat to your legs, under the table
- ✔ No draughts and no noise
- ✔ 3-level controller
- ✔ Safety timer
- ✔ 5-year warranty
