TECHNICAL DATA SHEET

Thermo Feet

Heated mat to keep your feet warm wherever you are

The pleasure of always having warm feet

PRODUCT DESCRIPTION

Thermo Feet gives heat exactly where you appreciate it most. Ideal for working from home, studying, reading or relaxing. Instead of heating a whole room, it concentrates the heat right on your feet, improving your sense of well-being with minimal consumption.

MAIN FEATURES

- ✔ Direct heat on your feet, with minimal consumption
- ✔ For working from home, studying, reading or relaxing
- ✔ On tiles, parquet, carpet or a rug
- ✔ 3 temperature levels
- ✔ Switches off by itself after 10 hours
- ✔ 5-year warranty
